warhammer 40 000 armageddon + untold battles dlc

This DLC gives you 5 Scenarios all for FREE, there is no reason not to get it. The missions are quite hard but you get to fight huge battles and some of them as the Orks ofc! Who doesnt want to kill Yarrik,Dante and Van Strab as Warboss Thraka!? overrunn them with Gargants or hordes of Megaarmoured nob. So far I have played them all but only beaten 1, I will do them all eventually.. This DLC gives you 5 Scenarios all for FREE, there is no reason not to get it.
